Dear Sir/Madam

It is hereby informed that the preparatory Coaching Camp for the Asian Games and remaining World Cups, comprising 4 Recurve Men, 4 Recurve Women, 4 Compound Men, and 4 Compound Women, will commence immediately after the conclusion of the second and final selection trials scheduled to be held at SAI, NCOE, Sonapat from 15th to 18th May 2026.

The Coaching Camp will continue till the departure of the team for World Cup Stage-3 to be held in Turkey.

All eligible archers participating in the second selection trials are required to make their own boarding and lodging arrangements during the trial period. However, AAI will provide ground facilities to all eligible archers during the trials.

All archers are advised to report for the selection trials with their luggage and personal belongings, as the selected archers will continue to stay at the camp immediately upon conclusion of the trials.

Considering the short duration of the camp, no selected archer will be permitted to return home to collect luggage, seek permission from their department, or attend to any other assignment or engagement whatsoever.

This may be treated as important.

Yours sincerely,

(GUNJAN ABROL)

Administrative Officer, AAI
