INDIAN ROUND - ELIMINATION ROUND (INDIVIDUAL)

Elimination rounds are played up to 5 sets of 3 arrows on the same target face in which qualification round was conducted in each age round (For Under 10-15 mtrs, Under 13-20 mtrs, Under 15-20 mtrs, Sub-Junior-20 mtrs, Junior-30 mtrs & Senior-30 mtrs). If a competitor wins a set they receive two points; if the set is drawn the competitors receive one point each. The first Archer who achieved six set points wins. If the set points are 5-5 after 5 sets completed, the outcome is decided by a single arrow shoot-off for score. If the score is the same, the arrow closest to the centre of the target face will resolve the tie. If the distance is the same, successive single arrow shoot-offs will be conducted until the tie is resolved.

INDIAN ROUND - ELIMINATION ROUND (TEAM & MIXED TEAM)

The set system consists of 4 sets of 6 arrows for teams and in the case of mixed team 4 sets of 4 arrows are used in same distances as individual events. The high score for the set takes two set points. For a tie the points are split. The first team to reach 5 set points wins, so there would be a shootoff in case of a 4-4 tie.

In the event of a tie, a three-arrow (two-arrow for Mixed Team) shoot-off for score, a single arrow by each team member. If the score is tied, the team with the arrow closest to the centre will win. If still tied, the second arrow (or third) closest to the centre will determine the winner. If the tie cannot be resolved, successive shoot-offs will be conducted until the tie is resolved.

"Note: Since the Under 10 and Under 13 age categories are open tournaments, AAI will only conduct individual elimination rounds. No team or mixed team events will be conducted by AAI."
